

RITUMBHARA

THE FASHION DESIGNING CELL

"Fashion is not something that exists in dresses only. Fashion is in the sky, in the street, fashion has to do with ideas, the way we live, what is happening."

-COCO CHANEL

The fashion designing cell is one of the most creative cells of SRMGPC. Fashion is a statement, not a style. Fashion does not have to be worn casually, nor outside the runway. Fashion is fit for all sizes for all people of all ages. Fashion is an art of personal self-expression, not an excuse to be pretty, popular and charismatic. We drape fabric and work with colour palettes, enhancing our skills and portraying fashion.
